

WELCOME TO PERRY

1 June 2020

Dear Parents

We are writing to introduce you to Perry, the online supplier of the uniform and sports kit for Ibstock Place School.

The Perry online school uniform service includes:

- Online ordering 24 hours a day, 7 days a week [click here](#);
- I-size: Our intelligent sizing service to help you order suitable sizes
- Online advice and support from our team of school uniform advisors email info@perryuniform.co.uk

For information on how to order go to our [advice page](#) where you will find:

- Step by step instructions on how to order
- Answers to frequently asked questions
- Videos to show you how to measure your child

The first step is to measure your child

You will need to measure your child and set up their profile to enable you to place an I-size order:

- Our online video shows you how to measure [click here](#)
- You will need a measuring tape

If you don't have a measuring tape you can print our paper based measuring tape. It is important to follow the instructions provided and check that it has printed to the right size/measurements before you use it.

We strongly recommend that you order immediately and no later than 28 June 2020

Please order as soon as possible giving yourself plenty of time to receive your order and check it is a suitable size (with room to grow throughout the year) ready for the start of term.

As soon as your order arrives please try everything on your child, then try it on again in mid August. If your child has grown more than expected, please order an alternative size online and return the unworn item(s) asking for a refund, using the postage free returns label on your receipt.

If you have questions about any aspect of the uniform, please email info@perryuniform.co.uk and one of our uniform advisors will be able to help you.

We wish you and your family well and look forward to working with you in the years to come.

Yours sincerely

Caroline Bunting
Managing Director
