 <p>Not black; Velcro fastening; trainer-like.</p>	 <p>Blue, not black. We ask for shoes that can be polished, so this suede leather is unsuitable.</p>
 <p>Black leather lace-up, but 'sports fashion' brand logo clear on the side.</p>	 <p>This is deemed a 'pump'. It does not provide the support the foot requires for everyday wear.</p>

Shoes should be sufficiently comfortable and tough to wear not only in school but if walking home. The School reserves the right to ban shoes which are unsuitable, dangerous, too noisy or which damage floor surfaces. If you plan to play football or other games that might damage your shoes then you are encouraged to keep a pair of trainers in your locker for that purpose. Shoes should be polished regularly and maintained in good condition.
